# (Social) Innovation in Dortmund

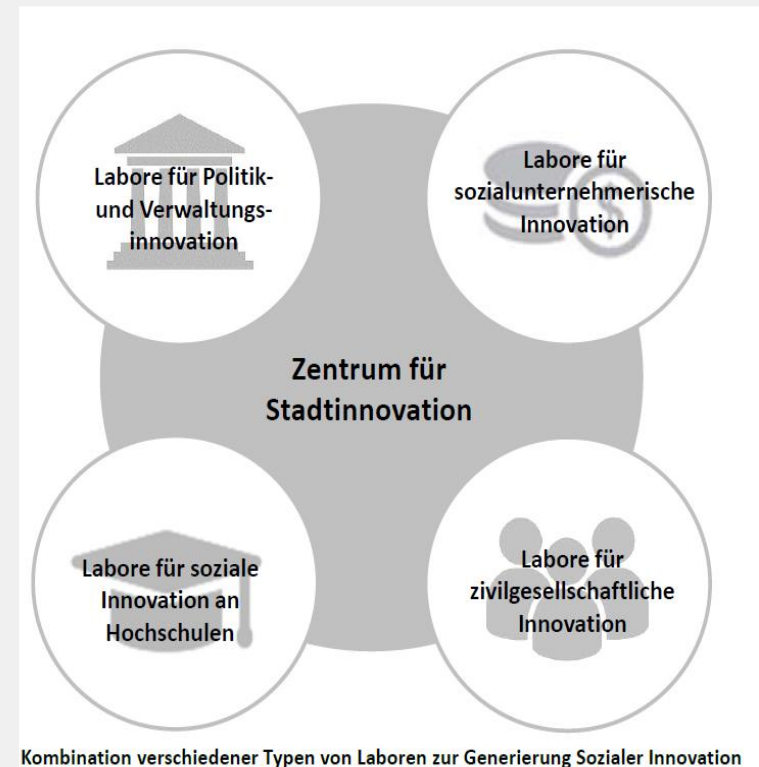

# Social Innovation Ecosystem Dortmund

# Social Innovation Ecosystem Dortmund

## Support the co-production of social innovative ideas on specific topics

- Implement new formats
- Institutionalize cooperation
- Bringing together actor groups
- Build up competence and trust
- Create a social innovative environment
- Overcome innovation barriers
- Run projects
- Making Dortmund as innovative in social innovations as it is in digitalization

# Social Innovation Ecosystem Dortmund

## The best for the Dortmund model

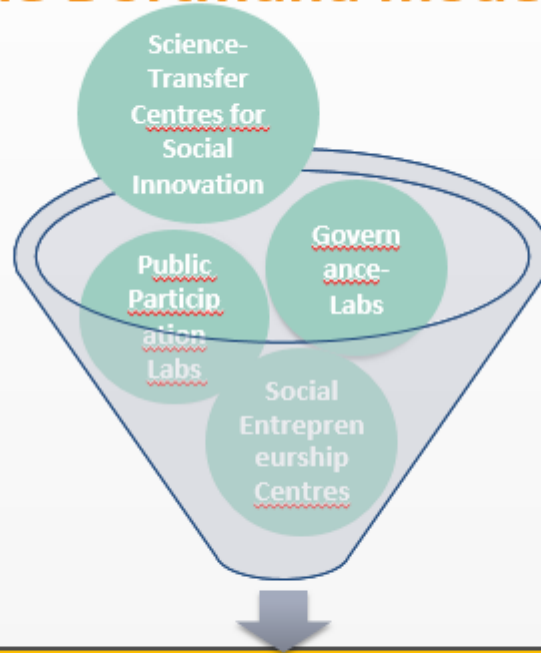

### Screws

Inside / outside

Coordination /  
Set topics

Partner in the process /  
Partner in the lab

Small ambitions /  
bigger ambitions

### Functions

Result of the meetings

- 4 core functions
- Specific added value for Dortmund
- Combining types of SI Labs

2025

Social Innovation Center Dortmund

# Social Innovation Center Dortmund

**Work &  
Care**

**Work &  
Districts**

**School &  
Economy**

1. Set up and implement projects on the topics

Example #1: Company-supported childcare in the Phoenix-West business park

Example #2: Company networks for the transition from secondary school to dual education

2. Development of an ecosystem and implementation of new formats for the networking of networks

# SIC - Vision

7. Phase: Institutionalization

*6. Phase: Building up a Social Innovation park*

5. Phase: Creating space

4. Phase: Creating an SE-Lab with partners

3. Phase: SI & SE: Building up a SI-environment

2. Phase: New Formats on the topics

1. Phase: Start in the Economic Development Agency as management unit for the topics
